PROCES

Each person who wants to enter the project can do it as:
• Senior, to contribute their knowledge
• Teaching staff to have this contribution in the process of tutoring the work
• Students to have the support of this mentoring.
The process to follow is: make the application in the section o
OU WANT TO PARTICIPATE and specify the demand by exposing the field in which the mentoring is wanted.
There will be a first response from the research group: UAB-GRODE to the person who sends the form.
Subsequently, the relevant procedures will be carried out in order to Find the right mentor.
Accurate information will be given to all 3 people there take part
A face-to-face meeting will be established to present them people involved
During the process, a meeting will be held to the process.
The UAB-GRODE team will always be available.
